**Baltimore independent businesses and our local money—the BNote—are highlighted as some of the most effective and innovative approaches being used across the country to create jobs and build local prosperity.**

Come early to sample **Zeke's coffee** (featured in the film), enjoy light fare provided by **Clementine**, and meet other local businesses and organizations working on solutions from the film to create a strong local economy. Representatives from the **Baltimore Time Bank**, **Red Emma's (a worker collective)**, **Baltimore Green Works**, and **Baltimore Green Currency Association** will be on hand to answer questions about how you can get involved.

**7pm** Complimentary Zeke's tasting & light fare by Clementine. First come first served. **7:30pm** show. Discussion to follow. **\$10**
