

# Video Rentals at Hour Exchange Portland!

Did you know that you can rent the newest releases at the office? Looking for a good video game? We've got some of those as well.

Now, you can see new releases, old favorites and classics—all for the low price of 1/2 Time Dollar for 3 day rental of new releases and 1 Time Dollar for 5 day rental of 3 library movies. That's quite a bargain!

You can rent movies over the weekend, but the Office needs to know before the weekend begins which movie you'd like to see. David will deliver them to your house!

Added to this great deal is home delivery and pickup, currently for 1/2 Time Dollar.

Just try it one time and you'll see what a great deal the newest HEP venture is.

If you're interested in knowing the newest releases, email or call the office with your email address.
